With an intersectional cast featuring all types of women - women of color, queer women, women with disabilities, and more - the crew hopes that everyone can find someone in the film to connect to. “My hope is that the film will help girls skip over some of the limiting beliefs imposed upon past generations of skiers and inspire them to show up as

their truest selves,” says producer and athlete Addy Jacobsend. Featuring an all-female cast and crew, Advice for Girls is a must-see ski film for any skiing enthusiast.
